

Manidoo-giizis (Spirit Moon)

Let us gather to celebrate Manidoo Giizis (Spirit Moon). This moon is associated with the manitou Nanaboozho, who taught the Ojibwe people about moon cycle and its connection to the natural world.

The Spirit Moon is also a time to think about our relationships to the land, waters, and the spirit that infuses all things. It is a time to set intentions for the year ahead and to honor the manitou Nanaboozho.
